

# VALIDARID PORTFOLIO

**VALIDARID SENTIENT** is one of the leading HVAC, Fire Safety & Electro Mechanical engineering firm in Bangladesh. Providing total solution for HVAC and Fire Safety systems has expand its activities to various fields comprising of Industrial, Commercial and Residential facilities. We involved in the business of Central and VRF Air-Conditioning System, Fire Protection (Hydrant and Automatic Sprinkler) System, Fire Detection & Alarm System, Steel & Fully Glazed Fire Door, Climate Control & Ventilation related Products and Services.

**VALIDARID** is a leader with the ability to plan, develop, deploy, maintain, and manage HVAC, Fire Safety & Electro-Mechanical Systems to provide innovative products, services and solutions to support the highest standards of performance and reliability.

We have well-trained engineers and technicians who are committed to delivering excellent service to our valued customers. Our goal is to provide top-quality service to enhance the comfort and quality of life for all our clients.

In our pursuit of excellence and unwavering commitment to quality, we continuously strive to cultivate long-term relationships with our customers. The dedication and sincerity of our team are crucial to our success and are evident in every project we execute.

o Performance

o Energy Saving

o Cost Saving

o Durability

o Low maintenance cost

o Emergency Support

## BUILD CREDIBILITY

# OUR ACTIVITIES IN TERMS OF BUSINESS

## HVAC DIVISION

DESIGN, SUPPLY, INSTALLATION, COMMISSIONING, TESTING AND BALANCING OF CENTRAL AIR CONDITIONING SYSTEM (HVAC) FOR INDUSTRIAL & COMMERCIAL SECTOR

- CHILLERS, AHU, FCU, COOLING TOWERS, PUMPS  
PRECISION MACHINE, PIPES, INSULATION, CONTROL PANEL,  
CABLING, BMS, DUCTING, VALVES, HEAT EXCHANGER, HUMIDIFIER AND SO ON.
- OPERATION AND MAINTENANCE
- AFTER SALES & SERVICE

## VRF A/C DIVISION

DESIGN, SUPPLY, INSTALLATION, COMMISSIONING, TESTING AND BALANCING OF VRF AIR CONDITIONING SYSTEM (VRF/VRV) FOR INDUSTRIAL & COMMERCIAL SECTOR

- HEAT PUMP UNIT, WALL-MOUNTED, CEILING CASSETTE, CONCEALED DUCTED,  
& FLOOR STANDING UNITS, PIPING AND REFRIGERANT NETWORK, CONTROL SYSTEMS,  
ANCILLARY COMPONENTS, AND INSTALLATION ACCESSORIES.
- OPERATION AND MAINTENANCE
- AFTER SALES & SERVICE

## FIRE & SAFETY DIVISION

### FIRE PROTECTION SYSTEM

DESIGN, SUPPLY, INSTALLATION, COMMISSIONING, TESTING AND BALANCING OF FIRE HYDRANTS & SPRINKLER SYSTEM FOR INDUSTRIAL & COMMERCIAL SECTOR

- UL CERTIFIED ELECTRIC FIRE PUMPS, DIESEL ENGINE, JOCKEY PUMPS,  
CONTROL PANEL, VALVES, HYDRANTS, FDC, PIPES, FITTINGS AND MANY MORE.
- OPERATION AND MAINTENANCE
- AFTER SALES & SERVICE

### FIRE DETECTION & ALARM SYSTEM

DESIGN, SUPPLY, INSTALLATION, COMMISSIONING, TESTING AND BALANCING OF FIRE DETECTION & ALARM SYSTEM FOR INDUSTRIAL AND COMMERCIAL SECTOR

- FIRE ALARM CONTROL PANEL, SMOKE DETECTOR, HEAT DETECTOR, MULTI  
DETECTOR, MANUAL CALL POINT, SOUNDER STROBE, INPUT/OUTPUT MODULE ETC.
- OPERATION AND MAINTENANCE
- AFTER SALES & SERVICE

### FIRE DOORS & DAMPERS

- UL CERTIFIED STEEL FIRE DOOR, GLAZED FIRE DOOR, FIRE DAMPERS,  
ROLLING SHUTTER, STEEL & GLAZED DOORS ACC., ACCESS PANEL AND MANY MORE.
- OPERATION AND MAINTENANCE
- AFTER SALES & SERVICE

## CLIMATE CONTROL DIVISION

### EVAPORATIVE COOLING SYSTEM

- EVAPORATIVE COOLING PAD
- EVAPORATIVE COOLING SYSTEM
- EVAPORATIVE COOLING MACHINE
- AFTER SALES & SERVICE

### VENTILATION EXHAUST FAN

- AXIAL FAN
- CENTRIFUGAL FAN
- INDUSTRIAL EXHAUST FAN
- AFTER SALES & SERVICE
